At the end of one semester of Hope, all eligibility criteria must be met for the original scholarship to be reinstated or the original scholarship will be canceled. A student may only receive the Hope Scholarship for one semester throughout their undergraduate career. If a student’s CGPA is 2.0 or higher at the time the original award is cancelled, a Campbell Grant will be awarded and the student must maintain eligibility as defined above.

Once a student meets the eligibility requirements after a scholarship has been cancelled, a student may request a scholarship review in writing to the Office of Financial Aid.
