Robert B. Bailey Scholarship
The Robert B. Bailey Scholarship is intended to promote the participation in CIEE's International Study Programs of individuals or members of groups that have traditionally been underrepresented in study abroad, especially ethnic minority students. Applicants are asked to specify the group to which they belong and which they believe to be underrepresented in study abroad.
Applications are reviewed based upon the information provided including financial need, academic achievement, the Personal Statement essay, and recommendations. As part of the scholarship essay, students should also explain how membership in that group factored into the decision to choose the program/destination of study. Additionally, the personal statement should address how the applicant plans to integrate the international experience into future academic, community, professional, and extra-curricular activities.

Rotary Ambassadorial Scholarships
The Rotary Club offers 3 different types of scholarship: Academic Year Ambassadorial Scholarships for 1 year of study abroad, Multi-Year Ambassadorial Scholarships for 2 years of degree-oriented study abroad, and Cultural Ambassadorial Scholarships for 3 or 6 months of language study and cultural immersion abroad. Applicants must be a citizen of a country that has Rotary Clubs and must have completed at least 2 years of college-level coursework or equivalent professional experience before commencing their scholarship studies.

Scholarships for Military Children Program - Full-time undergraduate students who are the children of active duty service men and women.

Shawn Carter Foundation Scholarship - For students studying abroad on a service trip.

USAC Scholarships
USAC awards more than $350,000 in scholarships each year to help students with their study abroad expenses. They have a variety of scholarships available for students enrolled in USAC
programs, including general study abroad, Member University, and site/project specific scholarships.

- Award: Varies
- Requirements: Must be used on a USAC program
