The overall feel of the church/worship is casual, we believe we can all worship together no matter what we are wearing or what we look like. We generally have a time of fellowship and coffee/breakfast before the service begins. We have an incredible worship team that leads us in modern worship music, and then we hear from God through the teaching and preaching of His Word.
- College Ministry Description: The Central Baptist Theater Campus is a satellite campus of Central Baptist Church in Dunn. The theater campus exists primarily as an outreach to college students, as approximately 70% of our congregation are students. Our desire is to see people who are far from God be drawn near, and people who know God grow stronger in their faith. We strive to have an atmosphere that students are comfortable in and would want to invite friends to. We like to be active and available in our city and on campus for our students, we love our Sunday service, but also feel that discipleship happens in the small groups that are going on throughout the week. We highly encourage students to be involved with a small group as this is an invaluable source of accountability and a great place to connect with the leadership of the church.
- Other Ministries: Starting this fall, the Theater Campus will be hosting tailgating events at CU football games, this will be an incredible time to come out and meet some of the folks from our church and enjoy some great food. We are excited about the upcoming semester and can’t wait to see some old friends as well as meet some new ones!

We encourage all students to be a part of Westfield willing to serve in the way God's gifted them.
- Other Ministries: Westfield is an older congregation, but is a loving church, full of hospitality.
