Purpose
Campbell University Worship reflects the Christian mission and purpose of Campbell University by offering experiences that seek to nurture the spiritual life of students from a Christian worldview and help to build a strong sense of community. While we hope CUW is worshipful, it is not like a typical worship service. Speakers from various denominations, musical groups, student leaders, and different worship forms and traditions all seek to enrich the experiential dimension of CUW. There is also an educational dimension through traditional services like Convocation, Founders Day and lectures or forums that relate to theological, social, and ethical issues. CUW seeks to represent and minister to the diversity that is so much a part of the CU student body in the context of Campbell University's commitment to the Christian faith.

Requirements
Students entering as freshmen will attend CUW four semesters.
Students entering as sophomores (24 credit hours) will attend CUW three semesters.
Students entering as juniors (64 credit hours) will attend CUW two semesters.
Students entering as seniors (98 credit hours) will attend CUW one semester.

Credit is given as follows:
A - a maximum of 2 absences per semester
B - a maximum of 3 absences per semester
C - a maximum of 4 absences per semester
D - a maximum of 5 absences per semester
F - 6 or more absences per semester

CUW 100 meets Mondays from 10:00 a.m. to 10:50 a.m. in Turner Auditorium and CUW 200 meets on Wednesdays at the same time and place. Students must be inside the auditorium when worship begins. No student will be allowed to enter after the program has started as a matter of respect and reverence for worship. Anyone leaving prior to the completion of the program will be counted absent.

Attendance is taken by a student swiping his/her student ID at one of the exits to Turner Auditorium upon dismissal. For this reason, it is imperative that students have a valid Campbell ID. Students are allowed two opportunities be present and accounted for without ID.

Each student is assigned to a particular seat for the semester. This is to facilitate hundreds of students entering and exiting the auditorium in a timely fashion. If there is any confusion about seat assignments (e.g. seat is double-assigned or someone else is mistakenly sitting in your seat), it is the student's responsibility to tell a Campus Ministry staff member or contact the Office of the Campus Minister in the Wallace Student Center. It is important to clear up such matters as quickly as possible.

Excused Absences
The student will be permitted an excused absence due to:
- Hospitalization or confinement in the University Infirmary during day(s) of the period(s) in question. A letter from the attending physician will be required as confirmation of the hospitalization during the times involved. Documented illnesses or visits to doctors may be excused if proper documentation is provided.
- A death in the immediate family (father, mother, brother, sister, child, husband, or wife) requiring the student's absence from the campus during the missed CUW.
- An absence caused by representing the University on or away from campus. A note from coach, staff, or faculty member is required.

In order for a student to be eligible for an excused absence for one of the above reasons, the administrative details (letters and supporting documentation) must be worked out with the Office of the Campus Minister within two weeks from the date that the absence occurred. An excused absence allows the student the opportunity to make-up the missed day(s) but does not erase the absence(s) from the student's record.

University Worship is a central part of the Campbell experience. Services are planned to include persons from on-campus as well as guests to the University. During University Worship, it is expected that all students exhibit mature, responsible, and reverent behavior. Students should exemplify reverent behavior by removing hats/caps/hoods/headphones, refraining from talking, and ceasing the use of iPods, laptops, cell phones, all other portable electronic devices, studying with notes or textbooks, or anything else that might detract from worship. Texting on cell phones is prohibited.
