WHAT FLOATS YOUR BOAT?
Box Boat Race: Rules and Regulations

1: Boats must be constructed prior to the race. No pre-treated cardboard is allowed (wax-treated cardboard, etc.). You can often get free boxes from stores such as Walmart, grocery stores, furniture stores, etc.

2: Boats must be constructed out of the following materials ONLY:
   - Regular corrugated cardboard.
   - Duct tape on seams only (boats covered mostly in duct tape will be disqualified)
   - Water based paint or markers may be used to decorate the boat above the waterline.

3: Using ANY OTHER MATERIALS other then the one’s listed above will result in disqualification. (this includes screws, staples, clamps, wax, tar, fiberglass, plastic sheeting, Styrofoam, etc)

4: You may NOT provide your own wooden oar. You must use your hands or fashion an oar from cardboard.

5: Teams must register at least 10 minutes prior to the competition. ‘Teams’ consist of 1 to 4 people. Registration begins at 5:45 pm in the Natatorium on race day. It ends promptly at 6:50 pm.

6: Once a team is registered, they must proceed to their designated area. In this area, only the team is allowed to touch the boat.

7: Only 20 teams will be allowed to register on a first come, first served basis. We will accept pre-registrations via email to sagrad2@campbell.edu, but you must check in your team by 6:30 pm on the race day or you could lose your spot.

8: Teams caught tampering, rough-housing, or sabotaging other boats will be disqualified.

9: Boats may carry a maximum of 2 occupants.

10: If, during any time after the race begins, the occupant exits the boat, he/she is disqualified.

11: All participants must be wearing swim wear (bathing suits, swim trunks) and all towels must be provided by the team.

12: Awards will be given in the following categories:
   **Fastest Time, Most Creative/Best Looking, Best Sink, Best Crew Costumes**
   All award, rules, and qualification decisions will be made by the CAB Small Events Committee and are final.

13: Decorations are allowed but must consist of approved materials (see 1-4 above) unless approved by the Small Events Committee prior to race day. (ex: decorative sails). Decorations must not increase the boat’s speed or ability to float.
