Campus Services

Campus Ministry
The Office of the Campus Minister helps students find opportunities to express their religious faith and assists students with no faith preference to explore the richness of the spiritual life. The needs of students are taken seriously, and regular opportunities are provided for worship, discipleship/spiritual formation, missions and service, and community building.

Connections
Connections reflects the Christian mission and purpose of Campbell University by offering experiences that seek to nurture the spiritual life of students from a Christian worldview and help to build a strong sense of community. Programs do not attempt to coerce students to worship or embrace a particular set of beliefs or value system. Connections merges the university’s hallmarks of faith, learning, and service together to educate, challenge, and prepare students to live and act responsibly in this world.

Connections is offered for freshmen on Mondays at 10:00 a.m. and for other students on Wednesdays at the same time. Both groups meet in Turner Auditorium. Students are required to take four semesters of Connections.

United Campus Ministries
United Campus Ministries is made of student led groups that are Christian in nature and seek to do the work of Christ on Campbell’s campus and in the community at large. The groups meet weekly for worship, discipleship, and building community. The Office of the Campus Minister provides guidance and support for United Campus Ministries.

United Campus Ministries consists of the following groups:
- BSU (Baptist Student Union)
- Catholic Student Association
- FCA (Fellowship of Christian Athletes)
- Gospel Choir
- Ignite
- Inspirations Dance Company
- Shine
- Wesley Fellowship

Resident Chaplains
Resident Chaplains are graduate students who live among freshmen in the residence halls for the purpose of pastoral care and relationship building. RCs provide a pastoral presence to their individual residence halls by providing a safe, confidential, and non-judgmental resource to all residents, no matter their faith background. They invest in the lives of freshmen by involving them in community-building activities, small groups, fellowship, and much more!

Campus Worship
The Campbell community worships together on Sunday evenings at 7:00 pm in Butler Chapel. This weekly service is planned by the Campus Worship Planning Team made up of students and Campus Ministry Staff. All students, faculty and staff are welcome to attend and participate in Campus Worship. Campus Worship is Christ centered and meant to engage the heart, soul, mind and strength of each person who attends. At Campus Worship students will participate in various denominational traditions and musical styles. This gathering provides an opportunity for students to worship together and join together as the Body of Christ in worship.

Missions
Mission trips are taken during academic breaks in the year and led by Campus Ministry staff. These trips are taken to urban, rural and global locations. Past trips include: New York, South Africa, Hungary, various locations in Appalachia, India, Atlanta, Chicago, East St. Louis, and Roanoke Rapids.

Office of Community Engagement
The Office of Community Engagement seeks to create opportunities for students, faculty, and staff to become involved in the community through meaningful service. The office serves as a clearinghouse for volunteer information and resource for students. The Office of Community Engagement merges the university’s hallmarks of faith, learning, and service together to educate, challenge, and prepare students to live and act responsibly in this world.

Opportunities include different days of service throughout the year as well as ongoing volunteer opportunities with children, tutoring/mentoring, food pantries, senior adults, healthy living programs, and the Mustard Seed Community Garden.

Sexual Harassment, Sexual Exploitation, Non-Consensual Sexual Acts, Sexual Misconduct
Counseling Services and Campus Ministry are campus offices through whom members of the campus community may seek confidential guidance and support. These resources may be consulted at any time in the process, including prior to making an official report. Because content of discussions with confidential resources is not reported to an office of record, such discussions do not serve as notice to the University to address the alleged
discrimination or harassment. That is, Counseling Services and Campus Ministry offices are exempt from mandated reporting of sexual harassment, sexual exploitation, non-consensual sexual acts and sexual misconduct to the University. Information will be released to the University only upon written permission from the individual.
