TO ENROLL IN THE HOSPITALIZATION/SICKNESS COVERAGE:

Students who wish to purchase the Hospitalization/Sickness Coverage must do so online prior to the end of the open enrollment deadline date. Please go to the following link: http://www.1stagency.com/forms/2011/campbell/domestic.htm

Complete the enrollment form and submit. You will receive confirmation that your enrollment has been received. Keep this for your records. The appropriate premium will then be added to your student account. ID cards will be provided by the Business Office.
TO OUR STUDENTS AND PARENTS:
All full-time main campus Undergraduate, Law, Pharmacy, MED, MBA, PA and Divinity students are included in our $5,000 Basic Blanket Accident Program. The premium for this insurance is required and is included in your general fees. The effective date for this coverage is the 1st day of the term.

In addition to this Accident Program, Hospitalization/Sickness coverage may be purchased on a voluntary basis. This coverage is optional and intended for students that do not have some form of health insurance. Students must be enrolled a minimum of 6 credit hours to take advantage of the Hospitalization/Sickness coverage. To enroll, students must complete and submit the online enrollment form during open enrollment which is 8/1/2011 through 9/19/2011. Please refer to the enclosed insert or the back panel of this brochure for online enrollment instructions.

The annual premium for the Hospitalization/Sickness Plan is $475.00 ($325.00 for Spring Term enrollees; $80.00 for 5-week Summer Session; and $90.00 for 7-week Summer Sessions). Non annual coverage is only available to students who are new to the school for the session beginning with the date coverage is purchased. The plan provides, in addition to Accident coverage, protection from the expense of sicknesses requiring hospital care, surgical treatment, and doctor’s services. Such sicknesses can seriously disrupt an educational budget; therefore, we encourage your participation in the Hospitalization/Sickness plan as the student’s primary plan or in addition to any coverage you now have.

Best regards,

Dr. Jerry M. Wallace
